Malaysia's e-Invoice system plays a critical role in broadening the tax base, fostering sustainability, and driving future digital economic growth. Effective 1 July 2026, all businesses, unless specifically exempted, are required to implement e-Invoicing. The impact on businesses can be significant if they are not adequately prepared to ensure compliance.

To support a smooth transition and build stakeholder confidence, this programme aims to provide businesses of all sizes—from small and medium enterprises (SMEs) to large corporations—with practical insights into Malaysia's e-Invoicing framework.

*\*A key highlight of the event will be a dedicated **Question and Answer (Q&A) session** with representatives from the Inland Revenue Board of Malaysia (IRBM), designed to address participants' concerns and implementation issues. A Microsoft Form will be sent via email to all registered participants to collect questions in advance. Participants are encouraged to submit the questions to MIA by 24 September 2025 (Wednesday) for deliberation during the session.*

### OBJECTIVES

This programme seeks to:

- Explore real-world case studies on e-Invoicing implementation by multinational corporations (MNCs)
- Equip participants with a strategic understanding of the technical, regulatory, and security aspects of Malaysia's e-Invoicing ecosystem
- Support SMEs in transitioning to mandatory e-Invoicing
- Identify and describe practical issues related to self-billed e-invoicing
- Provide first-hand updates on the latest developments from IRBM
- Facilitate interactive dialogue and deliver practical solutions through a live Q&A session

### WHO SHOULD ATTEND

- Business Owners and Company Directors
- Chief Financial Officers (CFOs)
- Chief Technology Officers (CTOs) / IT Managers
- Finance Managers and Executives
- Tax Managers, Consultants, and Executives
- Accountants
- Internal Auditors and Compliance Officers
- ERP/System Vendors and Solution Providers
- SME Owners and Administrative Leads
- Company Secretaries
