The **2027 Budget**, to be tabled on **9 October 2026**, marks a pivotal step forward as the second budget under the 13th Malaysia Plan (13MP). With the theme “*Malaysia MADANI: Menggapai di Langit, Mengakar di Bumi*” (Malaysia MADANI: Aiming High, Rooted in the Earth), this Budget reaffirms the government's commitment to ensuring that economic progress translates into tangible benefits for all Malaysians. It is designed to balance economic resilience with people's well-being, while accelerating national development and strengthening fiscal sustainability.

This year's Budget remains anchored on the three pillars of Ekonomi MADANI :

- **Raising the Ceiling:** Catalysing high-value, competitive growth through strategic investments in semiconductors, AI, digital economy, energy transition, and Islamic finance, while empowering local entrepreneurs and innovation
- **Raising the Floor:** Uplifting living standards and protecting the vulnerable by easing cost-of-living pressures, strengthening social protection (including for gig and informal workers), expanding quality education and healthcare, and prioritising workers' welfare and decent wages
- **Driving Reform:** Strengthening governance and institutional integrity through digital public services (GovTech), reducing bureaucracy, enhancing transparency, and improving public service delivery efficiency

Join us at the annual nationwide Budget Seminars, jointly organised by MIA and MATA, where we will unpack the key proposals and provide expert analysis on how **Budget 2027** will shape Malaysia's economic and business landscape.
